As a temporary member of Totnes Sub-Aqua Club I agree to abide by the club rules insofar as they apply to me for the time being of my activities with the club. I understand that I may be asked for reasonable help with the tasks associated with those activities and that the TSAC Dive Manager will have the final say in any matter pertaining to club diving and the conduct of all operations that support it. I understand that tide, weather and sea conditions may affect diving plans and that a planned trip could reasonably be cancelled by the dive manager.

I declare that I am fit to dive and that I have completed a UKDMC declaration to this effect in the last twelve months or hold a valid in-date exemption and that nothing medically that might affect diving has changed since this was issued.

TSAC expects you to have the qualifications, experience and dive equipment necessary for the planned dive and that it is serviced as required and maintained in good condition.
