Community Centre**

SCAN ME!

## Totnes Sub-Aqua Club Welcomes new members in 2025

Totnes Sub-Aqua Club is seeking new members in 2025.

- New divers who would like to learn to dive in a friendly and supportive club
- Qualified divers who would like to get into regular club diving
- Technical and advanced divers
- Social divers, snorkelers and non-divers who would like to join our socials, beach and BBQ days, trips and pool sessions

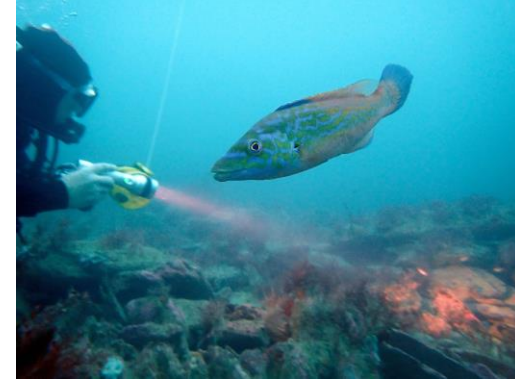

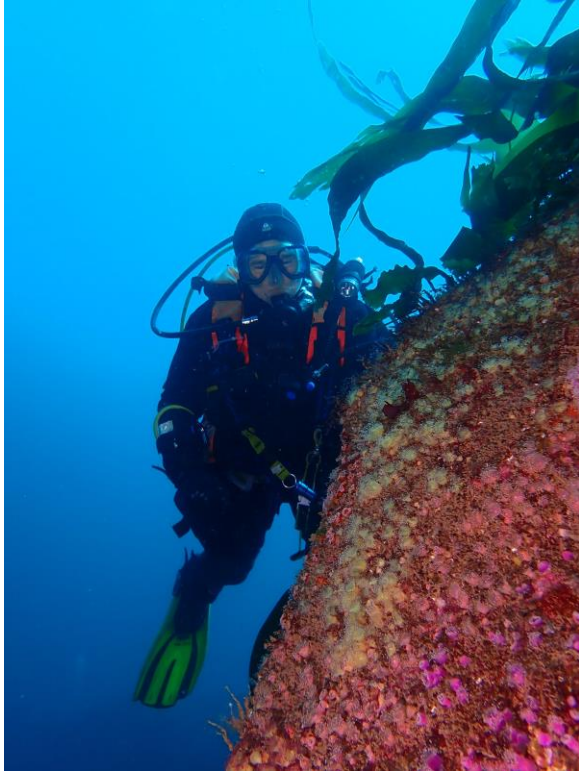

### We can offer:

- One of the most active dive clubs in the UK
- Regular diving: rib diving from our club boats, evening shore diving and socials, regular and bespoke hard-boat dives
- A full BSAC training programme from novice Ocean Diver to Advanced Diver
- Specialist training in boat handling, navigation, diver first aid etc etc
- Trips and expeditions across the UK and abroad
- Club compressor for air fills and nitrox
- Pool sessions for training, practice and fitness
- Lots of expertise and interest groups in underwater photography, marine life, conservation, wreck diving, archaeology, and technical diving

Interested? ..come to our club open evening **8pm 22nd Jan**, upstairs at the **Dartington Meadowbrook Community Centre** (Things Happen Here) or email: **Johnny\_gowdy@hotmail.com**

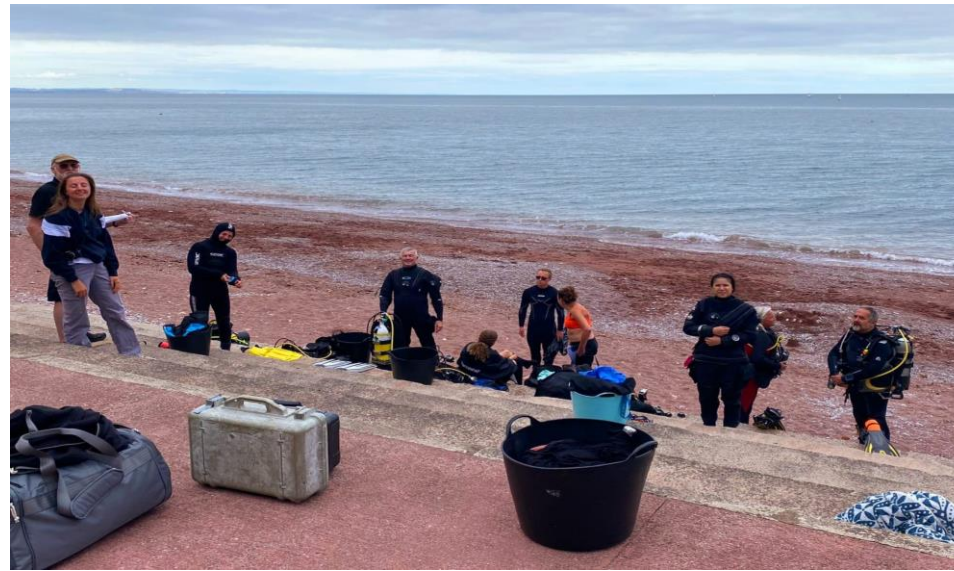

# Stunning south west marine life

# Evening shore dives and socials
